CORPORATE SOCIAL RESPONSIBILITIES

As a member of the global community, PJ Circular Engineering A/S is committed to fulfil its responsibility to society and the environment, as well as to support the best interest of its stakeholders. Moreover, PJ Circular respects the value of the community not only by supporting the neighbourhood in addressing pollution and energy issues but also by encouraging similar commitment by its suppliers and employees, all with the goal of fulfilling our role as responsible corporate citizens.

With a permanent commitment to responsibilities in mind, PJ Circular commits to the following guidelines.

Corporate governance

Meet all legal requirements and business ethics. Communicate company financial and revenue status accurately.

Employee

Encourage the diversity and energy of our employee pool. Provide employees with a safe and healthy working environment and promote employee health and well-being.

Community

Work with communities to improve a better life through education, economics, and social well-being activities.

World community

To build a successful company one also commits to contribute on a more global basis. To build a successful company one also commits to contribute on a more global basis. We have chosen to contribute via various Rotary Clubs in Denmark.
